Instructor: Philip Washbourne 334D Huestis 346-4138
pwash@uoneuro.uoregon.edu

GTFs: Katelyn Dufour kdufour@uoregon.edu
Andrew Cvitanovich cvitanov@uoregon.edu

Office Hours: during lab prep. Thursdays 10am to noon; 130 Huestis
other times available by appointment
Katelyn: TBA
Andrew: TBA

Textbook: Randall, Burggren, French; Animal Physiology, 5th Edition
(available at bookstore, library and limited number of loan copies
from me)

Prerequisites: BI214 or BI253

Exams: There will be 3 exams. All 3 exams will be based on short answer
questions. Only one of the two midterm exams will contribute to
your grade. The midterms will be take home exams for which you
will have at least 48 hours to complete them. The final exam will be
conducted in class.

Grading: Grades for BI356 will be based upon lecture (60%) and lab (40%).
The lecture portion of the grade will be based upon A) course prep
questions (5%), B) one of the two midterms (35% each), and C) a
final exam (60%). The lab portion will be based upon lab reports.

Plagiarism: The written exams and lab reports must be your own work. While
working in a group is encouraged for the lab reports, it is important
to be able to formulate the group thoughts in your own words.
Plagiarism will not be tolerated and 0 points will be awarded for that
piece of coursework.
