Art in Society Learning Goals

1. To develop a greater understanding of the role of arts organizations and performing arts organizations in particular within their communities.

2. To learn how to most effectively use the ePortfolio tool to supplement my education and track my progress through the Arts Management program.

3. To be able to reflect critically on readings regarding art and society, and to contribute my own unique analysis to class discussions.

4. To work well in collaboration with members of my cohort and to learn from them as well as from my instructors.

5. To learn how to make use of transmedia storytelling and various new technologies to reach a larger cross section of my community as an arts manager.
