ASIA 350: What is Asia?

Critical introduction to the histories, cultures and countries of Asia. We will also explore current debates about Asian national cultures/identities, globalization and area studies through reading and discussion topics such as food, nature, popular culture, gender, religion, philosophy and development.

Winter 2012, ASIA 350, 4.00 credits
TR 10-11:20, 30 Pacific Hall
Instructor: Dr. Daniel Buck

Fulfills Multicultural requirement (International Cultures), core course for Asian Studies majors, regional and human requirements for Geography majors.
