I, the undersigned, have read the Scenery Lab Rules and Policies. I understand I will not use power tools, the fly systems, or hang and focus a light until I have been instructed the proper way to do so, have demonstrated my ability to correctly use the theatre equipment, and have written approval by an authorized department representative.

I will never come to work in the Scene Lab or theatres while under the influence of alcohol or drugs.

I understand my failure to abide by the rules can result in a lower grade, restrictions from scenery lab activities, or an end to my employment with the Theatre Arts Dept.
