

WAVE WALK

LOCATION:

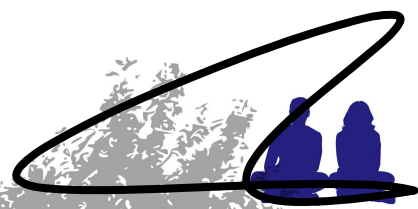

THIS BENCH WILL BE LOCATED AT THE SITE OF A BATHHOUSE IN DOWNTOWN OREGON CITY. IT WILL BE LOCATED AT THE BACK, NEAR A LARGE POOL THAT IS OPEN TO THE COMMUNITY. THIS PLACE IS IDEAL FOR THE BENCH BECAUSE WAVE SHAPE GIVES THE PEOPLE IN THE POOL THE FEELING THAT THEY ARE INSIDE A NATURAL SOURCE OF WATER. IT WILL SIT ON TOP OF A SMALL GARDEN WHERE A FAMILY CAN GATHER AND TAKE THEIR CHILDREN. THE MATERIAL AND THE SHAPE WILL MIRROR THE INTERIOR, WHICH IS VERY COMMUNITY ORIENTED, AND MATCHES THE FACADE OF THE BUILDING.

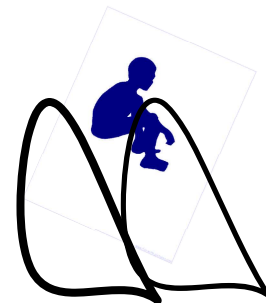

MATERIAL:
WOOD PANELING

DESIGN INTENT:

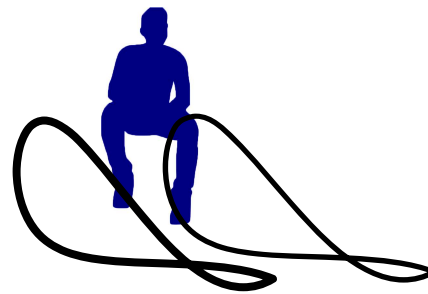

THIS SEATING WILL BE VERY INTERACTIVE, AND WILL ACCOMODATE THE ENTIRE FAMILY. THERE IS AN AREA FOR A PERSON TO TAKE SHELTER, UNDER A BLAZING SUN OR POURING RAIN. THERE IS AN AREA THAT TAKES THE SHAPE OF A SLIDE FOR CHILDREN TO PLAY, AN AREA TO SIT, AN AREA TO LAY DOWN, AND AN AREA WALK ON TOP OF THE "WAVE"

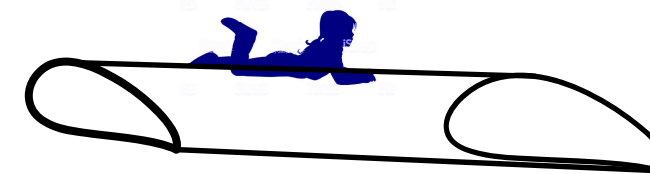

SHELTER
