What is practicum?

An experiential learning opportunity which takes place in an arts and culture organization chosen by the student for the duration of one term (or 10 weeks). Credit can be earned through the AAD Practicum course.

The Benefits

- Understand the arts administration field
- Analyze organizational situations and predict outcomes
- Develop an awareness of the issues administrators face
- Experience the day to day functions and operation of an arts organization
- Differentiate arts administration issues from management issues in other industries
- Analyze and compare best practices in arts administration and predict results

Finding a practicum

- Get to know our local arts organizations at the practicum fair!
- Attend community events!
- Volunteer at an organization!
- Match up your creative passion and career interests with the mission of the organization
- Visit the AAD Practicum Website http://blogs.uoregon.edu/aadpracticum/
- Establish learning objectives with your community partner.
- Fill out the learning agreement on the webpage and see the practicum coordinator.
- Begin your practicum
- Join in the efforts of the organization to make the arts flourish
