SELF-EVALUATION QUESTIONS: Due 1pm Wed 1/27.   Name: _____
Post updated project statement online with Site Design presentation.

1) What is the Spirit of the PLACE? (parti/metaphor, soundtrack, atmosphere, purpose)

2) CONTEXT: What will this place look like in 2050 and how will the design fit this location? What are major public spaces & activities?

3) PERFORMANCE: How does the design address environmental factors such as sun, wind and water? What are your criteria for a good project?

4) Discuss how your project has addressed the goals of the 1) Site Design assignment.

5) Discuss how your project has addressed the goals of the 2) Biomimicry assignment.

6) What are the most important decisions and activities you need to do at this point?

7) What are ways that your instructor, the studio format and content, etc. could help you with your design process and learning? Include resources that could be helpful
