

university of oregon – school of architecture and allied arts – department of architecture
Arch4/586 Advanced Architectural Design II
Professor Nancy Yen-wen Cheng <nywc@uoregon.edu>

FINAL STEPS

Karmin Vortex Street Experiment

1. **Post your compressed final presentation to the blog:** a full compressed PDF with highlight images. The 2nd of 2 posts for spring term.

2. Complete your **course evaluation**.

3. **Reflect:** Review your past blog posts and write a few paragraphs about your achievements, crucial decisions and next steps. This is your record to demonstrate your professional competency and your understanding of the studio content.

Include a Gmail or other non-UO email address.

3. **Party** at Nancy's house. Saturday June 4 at 7:00pm at 1709 Grant St. Modified Potluck: I will have basics of food and drink, you are welcome to bring a treat.

4. Have an **exit interview:** 477C Lawrence. I can do this by Skype if you prefer.
