

Walk the Whit

When: October 25 (12:45-3:15 PM)

What: directions to East Blair Co-Op (940 W. 4th Avenue)

**Have you heard the hype?
Do you want to check it out for yourself?**

The Daily Emerald recently published a story on the nightlife in Eugene's Whiteaker neighborhood. It's definitely a fun place to be at night, but there is more to this area of town than restaurants and bars. The Whit has a long tradition of envisioning community life based upon the principles of progressivism, sustainability, and justice. Join Dr. David Reis on an excursion to the Whit to explore the character of this neighborhood—its history, traditions, and ultra-hip, counter-cultural vibe. We will visit the East Blair Housing Cooperative [<http://www.eastblairhousingcooperative.org/>] to learn more about this organization and then take a short walking tour of this eccentric and vibrant part of Eugene.
