Dear Biology Department Graduating Senior,

You are so close to graduating. Keep up the good work! If you are planning on graduating officially this spring, remember to apply on Duck Web https://duckweb.uoregon.edu by no later than Sunday, April 24th. After you log in, click on Student Menu, then Apply for Undergraduate Degree.

The Biology Department Ceremony is Monday, June 13th at 3pm on the Pioneer Woman Lawn. If you are graduating officially this summer or fall, we encourage you to participate. [This implies you have only one or two classes to complete.] Tickets are not needed. The ceremony is scheduled for ~ 1 hour and 40 minutes and a reception will follow at the same location. We look forward to meeting your family and friends on this day of celebration!

If you plan on participating in our Biology Department Ceremony, please stop by the Biology Advising Center (65 Klamath) between 10 AM and 3 PM (Monday through Friday) and fill out a graduation card. To ensure that you will be listed in our Biology Department Graduation Program, please return your completed card to a staff member in the Biology Advising Center by no later than 3pm on May 16th.

More general information with links about graduation and the University-wide ceremony are provided below. To be listed in the University-wide graduation program, you must be graduating officially by the end of spring term. Even if you are not officially graduating in spring term, you are welcome to participate in the University-wide ceremony, but you will not be listed in the program.

Please let us know if you have accessible and/or ADA seating needs - for yourself or a family member.

Graduation Fair, April 4-7th at the U of O DuckStore
