

# UO SAACS SUMMER RESEARCH AWARD COVER SHEET

The University of Oregon branch of the Student Affiliates of the ACS will be awarding two \$500 summer research awards (as well as a SAACS t-shirt and a one year ACS membership, if applicable.) The purpose of the award is to support chemistry and biochemistry majors' ability to complete summer research in their lab here at the UO or elsewhere on an REU summer program. Candidates must have a minimum GPA of 2.5 on a scale of 4.0 (or similar grade assessment), and must be doing research in a UO research lab or be attending a summer REU program elsewhere for summer 2015.

**Evaluation:** Candidates will be evaluated based on the research aspect of their portfolios and not on an academic basis, other than meeting the minimum requirements.
