The total cost of tuition for the Geography Education Master's of Science in Geography will depend on how many credits you have to transfer into the program. The policy of the UO Graduate School is to allow transfer of up to 15 graduate credits provided they have not been used to obtain a prior degree.

Room and Board

For the last few years, our out-of-area students have elected to stay at the Collegian. It offers a furnished studio and private bath with 19 meals a week as well as bag lunches and late dinner plates. The Collegian is five blocks from the Geography Department. For the first four-week summer session, the cost ranges from \$800 to \$1,200 depending on your choice of room.

You can view The Collegian at < <http://www.thecollegian.com>> Phone: 541-343-1255
 Email: info@thecollegian.com

Tuition Waiver and GTF Stipend

Historically, we have been able to offer students at least one summer term tuition waiver as part of a Graduate Student Fellowship (GTF). As a GTF, your tuition will be covered and you will be paid a stipend of about \$2,000. You will be responsible for the summer fees.
