

JSMAC Minutes 5/13/15

**Sarah, Nori, Emma, Andrea, Emily, Grace, Lena, Brenda, Kathleen, New Person, Bridget, Shannon**

On Friday 5/15 we are sponsoring the International Coffee Hour – Not hosting the meet at Mills

More of simple tabling event

Just free food from 4-6 – international and non-international students come

People come and socialize – there are a lot more people who attend

Sponsoring it with a few other organizations

Talk to people about our student group and our upcoming events

Representation is good

In the fall we are probably going to be more involved with being a special guest at the meet

Today we are having a couple visits

10:15 – Jamie Leaf will be coming in to talk about special events

9:45 – Lisa Abia-Smith is coming in to talk to us

Our art show has been juried and we have three labels that need to be shortened

50-150 words is what is preferred

On Monday we are de-installing American Pi

This is between 10 and 5?

Lillian is going to show us how to do this

On Tuesday we are going to be installing Archetypes

This is at 10-5 as well – come if you can

You can text Sarah about when you want to come in – you don't have to be there the whole entire time both of the days

Be here if you can because this is when we are choosing how to curate the space and see if we can fit another art piece

We will be making more labels during this time

Opening reception is the 27<sup>th</sup>

There will be free food, badges for the artists, etc.

Slam poetry event is this night as well after the ceremony

Tabling ideas

Having a word and then having people try to draw something that resembles that word

Play Pictionary
