

My Visual Story: Comics and Personal Storytelling Creative and Discussion Journal #1!

Prompts for October 4th and 11th (as in you are required to bring in your thoughts and questions to the Oct. 11th class discussion and studio time):

1. What is the main theme of this novel?
2. What are the most interesting aspects of this novel for you personally? And specifically think about what themes you might want to use for your comic book project. Describe at least two to three.
3. What is the most confusing part of the novel? Think here in terms of an aspect of the novel you do not understand and want to learn more about.
4. Use the back of this sheet and/or other sheets of paper for our October 4th in class creative activity, which you also will be doing more drawings between our October 4th and October 11th class meetings (as in add more drawings to talk about October 11th). If you use other sheets of paper, please attach them to this sheet.
