

My Visual Story: Name Your Achievement!

Have you come up with your own achievement? (For example, think back to your “Student Inventory” goals and maybe you wanted to work on your drawing skills, or you have come up with something of interest to you this term that you want to receive credit for taking part in.)

Did you propose this achievement to the instructors for approval BY THE END OF Week 10 (**Friday, December 1st**)?

Name:

Achievement Title:

Achievement Description:

- What will you do to complete this ‘Achievement’?
- What have you done so far towards completion of this ‘Achievement’?

Achievement’s Connections to the Seminar Content and Course Objectives:

- How does this ‘Achievement’ directly connect to our FIG’s content?
- How does this ‘Achievement’ directly connect to our FIG’s objectives (these are listed on the Course Syllabus, which is available on the course site under “Resources” and “Course Documents”)?

Additional notes and questions you want to include for consideration of this ‘Achievement’:
