Winter Term Office Hours

- Get your hours to Amiya
- If you are on a waitlist, make two separate office hour layouts if needed. Give Amiya the one that corresponds to the class schedule you currently have.

End of term Dinner/ White Elephant or Secret Gifter

- Do we want to do something as a group during the end of Finals week.
 - When are people leaving. If dinner is out of the question, we can do something small in the office during our usual exec time during finals week.

Winter Term Exec Meeting Change

- We are keeping the Exec meeting time from 5-7 PM on Wednesdays
- Ari will not be joining for the first hour, but will leave notes on the agenda to give feedback and my thoughts

Kudos for someone :)
