SUBMIT YOUR SPRING MOVE OUT PLANS

We hope your spring term is off to a fantastic start! Sadly, this also means that the school year is ending, and it's time to start thinking about moving out of the residence halls! You can submit your end-of-spring-term plans by:

1. Logging in to your [My Housing](#) portal
2. Click on the "Forms" tab
3. Fill out your end-of-term plans!!

Late Stay Requests

If you are requesting to stay beyond 7:00 p.m. on June 16, your End of Term Plans form and subsequent late stay request must be submitted for review on or before May 31. Please note this includes those who are graduating as well as student leaders. Late stay requests submitted after May 31 will not be approved.

HAS SOMEONE MADE A POSITIVE IMPACT ON YOU LATELY?

Has someone in the community made your life a little better lately? Maybe a dining worker gave you extra sauce for your fries, or maybe your best friend listened to you rant about your midterm. It's important to show gratitude to the people who make our daily lives a little bit better! Submit an Of The Month (OTM) message, and we will distribute your uplifting message to that special person.
