Faculty colleagues,

Please take the time to review the new SOMD academic schedule that was presented in today's faculty meeting. This schedule revamp will be in place starting Fall 2020!

The three schedule template "posters" will be on display in the 219B conference room for those who wish to see them up close. Please check the room schedule to avoid interrupting a meeting.

We have also attached a PDF version of the schedule templates to this email that can be downloaded and reviewed at your convenience. You will need to zoom in quite a bit!

The attached Master Class spreadsheet is another tool to reference as it lists nearly all our academic classes for MUE, MUJ, and MUS subject codes, along with their new terms/days/times/locations.

We welcome your feedback! Rather than separate emails or conversations, we ask that you submit it via this Qualtrics link: https://oregon.qualtrics.com/jfe/form/SV_efCEKVFLq5ZDzKJ

All replies will be reviewed and addressed accordingly by the SOMD Scheduling Committee. Please note, **ALL FEEDBACK FOR THE NEW SCHEDULE MUST BE RECEIVED BY DECEMBER 13, 2019 in order to meet UO Academic Schedule Deadlines for AY 20/21.**

Thank you,
SOMD Scheduling Committee
