## Notice of Motion

November 22, 2022

The SOMD Undergraduate Committee recommends adoption of the following proposed courses:

MUE 451/551 Student Teaching in Music Education (11 credits)  
MUE 452/552 Student Teaching Seminar in Music Education (1 credit)

### **MUE 451/551 Student Teaching in Music Education (11 credits)**

Description:

This capstone student teaching experience is designed to give the candidate the opportunity to gradually take the lead in preparation, instruction, and assessment for the music classroom. This experience helps develop knowledge, skills, and professional dispositions to make a positive impact on student learning. Students are required to concurrently enroll in MUE 452/552 when taking MUE 451/551.

Rationale:

The University is requiring a new number for the course. This course has been offered for many years and it is required in the Teacher Standards and Practice Commission (TSPC) Oregon state teacher license sequence for the music endorsement. We are renumbering the course due to a university request. The course has not changed. The number for the course is changing from MUE 406 to MUE 451.

### **MUE 452/552 Student Teaching Seminar in Music Education (1 credit)**

Description:

This course accompanies, and is a co-requisite to, the capstone student teaching experience (MUE 451/551) and is designed for the dual purposes of: (1) supporting the teacher candidate in that experience; and (2) helping the teacher candidate complete licensure and prepare for employment.

Rationale:

The University is requiring a new number for the course. This course has been offered for many years and it is required in the Teacher Standards and Practice Commission (TSPC) Oregon state teacher license sequence for the music endorsement. We are renumbering the course due to a university request. The course has not changed. The number for the course is changing.
