The Shedd Institute assesses actors for its musical theatre productions on an ongoing basis, and often casts by invitation. It offers open auditions and separate auditions for youth under 16 approximately every 3 months. Each audition focusses on several upcoming productions and often the majority of roles in a show are filled up to 6 months before we go into production. Our open auditions afford the best way for actors unknown by The Shedd creative team or actors who wish to keep in front of that team to do so. Actors who cannot participate in the most immediate Shedd production are strongly advised to audition in order to be in the best position for favorable consideration for roles in subsequent productions.
SINGIN’ IN THE RAIN
(December 1-17, 2017 – rehearsals begin October 29, 2017 - 9 performance full production - Jaqua)

You remember the plot! You love the characters! You know “the song”! You’ll adore the sparkling, fun-filled stage adaptation of one of the most celebrated and beloved films of all time! Late 1920s Hollywood is the setting for this zany, light-hearted romantic comedy about the early days of sound film, when many a movie studio found itself scrambling to salvage the careers of its chipmunk-voiced silent picture stars…with hilarious results! Faithfully adapted by Comden and Green from their original award-winning screenplay, Singin’ In The Rain is perfect holiday entertainment for the entire family! Great dances, snappy dialogue, and a veritable hit-parade of 1920s and ‘30s Freed-Brown Songbook gems make it a show you absolutely won’t want to miss! Look for such classics as “Moses Supposes”, “Make ‘Em Laugh”, “You Stepped Out Of A Dream”, “Fit As A Fiddle”, “You Were Meant For Me”, “Good Morning”, “All I Do Is Dream Of You”, “Singin’ In The Rain” and more!
