## Mini-Grants

### ABOUT

The UROP Mini-grant program provides awards of up to \$1,000 to support undergraduate student research, creative scholarship or work on an innovative project.

The awards may be used by recipients to purchase materials, equipment, and supplies that are necessary to complete their project and assist with travel expenses related to their project.

Mini-grants are available to all UO undergraduate students who meet the eligibility criteria.

### ELIGIBILITY

- Must have a project proposal finalized, a faculty mentor secured and a clear budget completed prior to applying.
- GPA >3.0
- Must be returning to the UO the term following the receipt of the mini-grant award.
