Purpose: The mission of this award is to recognize and honor the students, faculty, post doctorates and staff who have demonstrated they are allies for women and gender minorities within STEM fields. The long-term goal of this award is to show our appreciation of people in our community who are allies for women in science as well as illustrate broadly to our UO community the characteristics of what and who makes a successful ally for women in science.

Nominations: Any UOWGS member may nominate up to 2 people for the award. The nominees can include any person within the UO community: students, post doctorates, faculty, staff of any gender who is or is not a member of UOWGS.
